Login Instructions

1. Go to <http://www.TuitionFundingSources.com>. Click on Login and then the “First Time User?” link.
2. Select the state where you live and school you attend.
3. Enter your email address as your username and create a password.
4. Students wanting to use the automatic letter writing feature in the website will also need to enter their name and address. This information is secure and will never be shared with anyone.
5. Registration is now complete. You can access the TuitionFundingSources.com website with your username (email address) and your password from any computer that is connected to the internet.

Information about the TFS Program and TuitionFundingSources.com

- TFS is a private program that is only available to students at schools selected by Pepsi-Cola.
- The TFS website contains the world’s largest scholarship database with more than \$32 Billion in scholarship awards and over \$5 billion more in state grant programs. The TFS database is many times larger than any other source of scholarship information on the internet.
- New scholarships are added to the TFS website daily. On average more than 5,000 new awards are added every month. All new additions appear on the TFS website in real time.
- The TFS website contains detailed college and career information including athletic scholarships, personality tests and career aptitude tests.
- **TFS is safe to use. The TFS website does not collect or sell any student’s private information and there is no advertising – not even for Pepsi-Cola products, even though Pepsi pays for the program.**
