TRINITY HIGH SCHOOL

- Do you want to make a difference in a young person’s life?
- Are you a good listener?
- Are you able to meet with our students for approximately 45 minutes once a month?
- Do you want to serve your community by mentoring students at Trinity High School?

If you answer yes to the above questions, then Trojan Talk wants you!

TROJAN TALK

Vision by School design

Each student at Trinity is assigned to a small group of 15-20 people who work with a mentor and faculty member. Each group meets on designated Tuesdays in the Fall and Fridays in the Spring, approximately once a month, for 45 minutes (from 11:00 am – 11:45am).

Vision for Networking

Working with a community volunteer/mentor and a Trinity Faculty member, students make connections with people outside of their families and peer groups. The interaction between community volunteers and the student body has proven to be a key component for student success.

Mission of Trojan Talk

Through meaningful dialogue, Trojan Talk Families will have the opportunity to shape the Trojan culture and enrich the Trinity High School Community.
