

HEB ISD School Health Advisory Committee
Minutes
02/21/23

Call to order at 4:01 pm

Roll call: Members sign into chat for attendance

Approval of Minutes from last meeting of 11/15/22-Dr. Sally Scoggins made a motion to approve the minutes. [Pamela Householder](#) seconded the motion.

Guest Speaker: Angela Hodge from Mind Above Matter

- Mental Health Service in HEB ISD providing IOP(Intensive Outpatient Services) or PHP(Partial Hospitalization Program) for those secondary students needing mental health services to prevent hospitalization and loss of instructional and extra-curricular activities.
- Individual and family counseling services provided in district facilities at no cost to the district. Transportation for students is provided.
- Students are referred through the school counselor or crisis team.
- Mental health assessment is provided by a licensed therapist, medication management can be provided through telehealth visits with a provider.
- Therapist provides instruction on processing and life/coping skills.

Department Updates:

Science/Health Curriculum: Dr. [Sally Scoggins](#)

- Health Curriculum is in place. No updates.

Safety/Emergency Response: Dan Phillips

- \$6 million in security updates approved and are being purchased
- double the amount of security cameras
- update to access controls
- radios for every staff member
- new visitor management system, SY 23-24

- new communication app for emergency situations, information will still be communicated through PR department and social media
- locks to be changed over the summer to locks that lock au
- fencing to be added to all elementary schools and Trinity High School
- 5 year plan to add fencing to athletic areas at the Jr. High Schools and possibly staff parking areas

Counseling/Crisis Team: Dr. Carmen Brown

- SPED parent training rescheduled to 02/28/23

Health Services: Joy Keohane, RN

- Staff Wellness Challenge in week four with excellent participation
- 5th grade puberty video to be shown before spring break, parent written permission is required
- Stop the Bleed for 7-12 grades offered at the Pat May Center on 03/08/23 from 5:30-6:30, written permission is required.
- UNT mobile pediatric van in May for rising 7th graders
- Attendance has improved to 96% after the Tripledemic the 3rd 6 weeks of RSV, Flu, and COVID decreased attendance to 94%. We are not back to our pre-pandemic attendance of 98%

Child Nutrition Services: [Mariella Naugher](#)

- Large increase in parents requesting special diets and substitutions when child does not have a diagnosis of severe allergy/anaphylaxis
- Supply chain issues make it difficult to provide multiple options for substitutions
