EMPOWERING TODAY TO EXCEL TOMORROW

ATTRACTING NEW FAMILIES AND STUDENTS

Hurst-Euless-Bedford Independent School District is nestled in the heart of the DFW metroplex. In the early 2000s, the district was believed to be landlocked and there was not much projected growth in its future.

In the last few years, each of the three communities has experienced unexpected economic development, resulting in a new needs assessment for the school district.

- Orchestra
- Advanced Spanish
- International Business Initiative /World Languages
- International Baccalaureate
- Career & Technical Education
- S.T.E.M. (Science, Technology, Engineering, Math)
- Theater Arts
- Cyber Academy

STRONG COMMUNITY ENGAGEMENT

HEB ISD continues to build community partnerships that benefit students and families. The district has a strong tradition of community adopters – businesses, churches, and organizations committed to supporting individual schools or the entire district. We are proud to have had more than 280 campus adopters and an incredible 85 district-wide adopters extending their support last school year.

Each year, background-checked volunteers log hundreds of thousands of volunteer hours. These community members assist with support tasks so teachers can focus on instruction. They also show students there is an entire community cheering for their success.

FINANCIAL STRENGTH AND ACCOUNTABILITY

HEB ISD uses its limited resources efficiently and effectively and has proven its dedication to maintaining financial stability. The district not only "lives within its means," but also subscribes to the best practices of planning for the future financially. The district respects its taxpayers and is committed to continuing its tradition of lowering the I & S tax rate which translates into savings for its taxpayers.
