

One-Minute Video Instructions

Thank you for taking time to apply for our 2020-2021 HEB ISD Student Ambassador Program. As part of your application process, a **one-minute video** about yourself will need to be submitted. This one-minute video will allow us to get to know you before we make our interview selections. We would like the one-minute video to share something you are passionate about. You can pick the topic. Please be mindful of the lighting and sound, as well as what appears in the background of your video clip. Video can be filmed indoors or outdoors.

Once your video is completed, go to www.hebisd.edu/Ambassadors and click on the google form video submission link to share your video with us.

Thank you for your interest in becoming a Student Ambassador. Please do not hesitate to contact me if you have any questions.

Mariana Royer, MOL

HEB ISD Public Relations & Marketing Community Relations Liaison
