I understand that if I voluntarily drop coverage in the middle of the plan year for myself, my dependents, and/or spouse I will NOT be able to re-enroll until another qualifying event occurs. I understand I will need to provide the supporting documentation necessary to prove my status change to the benefits office within 30 days of the qualifying event date.

Initials \_\_\_\_\_

I understand that I am automatically enrolled to participate in Section 125 for all benefits. I understand that if I elected to participate in the flexible spending plan any funds that have not been used by the end of the Plan Document Year **CANNOT** be returned to me. I must “use it or lose it.” I understand that I cannot change any before tax benefits until the next anniversary date except for a Change in Family Status. I further understand that my before-tax elections shall remain in effect from year to year until I cancel them. I understand that I may cancel my election participation only during the annual enrollment period unless I cancel my participation due to a change in family status.
