

BEGINNING WITH THE END IN MIND

Pre-K Registration Thursday, July 23, 2020 ... 8AM-1PM

Did you know that 90% of brain development occurs before a child is five years old? Children who complete Pre-K are more likely to show improved math and reading skills compared to children who do not attend Pre-K. HEB ISD Pre-K is designed to give your child a strong foundation for future learning success. Pre-K starts your child on a path with graduation in mind!
