

Hello Donna Park Families,

Just for clarification our DPE Compact and Policy was updated prior to the pandemic. While we know the pandemic may have altered many of our family engagement activities here at Donna Park we still plan to have family engagement activities virtually and with drive byes. We apologize for any misunderstandings. Feel free to contact Nancy Guirguis, our Title I representative should you have any further questions at [nancyguirguis@hebisd.edu](mailto:nancyguirguis@hebisd.edu)
