The Growing Place Community Garden

COME GROW WITH US

The Growing Place garden plots are now ready for viewing at St. Philip Presbyterian Church. They are located east of the church building and across the street from the Neighborhood Walmart Grocery Store. Come see them!

There will be a charge of $35 per calendar year to lease a raised bed plot (16’x4’). Gardeners do not need to know how to garden. Help will be provided to get your garden growing. We are looking for neighbors that want to grow healthy organic vegetables for themselves and others. Half of the produce will be distributed to area food banks.

The plots will be leased on a first come basis starting Jan 3, 2018. Only one plot will be issued per family. Once the plots have all been assigned, the names of those desiring a plot will be put on a waiting list.

Call 817-733-0115 for more information and instructions on how to get registered in January.
