Itsy Bitsy Spikers is our introductory program for our beginning players in grades K through 5 which focuses purely on skills training in preparation for recreational play and/or Pre Club. The 4-week sessions consist of a one hour session each week.

Dates and times TBD please visit www.drivenationsports.com for more information.

Pre Club is a 6 week program in place to help smooth the transition from recreational volleyball programs to the club environment. It consists of coach led, progressive skills training sessions twice a week (Mondays and Wednesdays) followed by weekly game experience giving the players an opportunity to apply what they have learned in an informal but competitive setting. Players are assessed during the first 2 - 3 week sessions and placed onto teams corresponding to their age and skill levels.
