

BEGINNING WITH THE END IN MIND

Pre-K Registration Thursday, July 25, 2019 ... 8-1 pm

Did you know that 90% of brain development occurs before a child is five years old? Children who complete Pre-K are more likely to show improved math and reading skills compared to children who do not attend Pre-K. HEB ISD Pre-K is designed to give your child a strong foundation for future learning success. Pre-K starts your child on a path with graduation in mind!
